

Shared Universe Foundation

The Shared Universe Foundation intends to support and develop a dedicated rhino orphanage in South Africa.

Race against Time is a Trans-Africa record challenge with the purpose of raising awareness of the rhino's plight and to raise money to conserve and protect them.

BE PART OF THE JOURNEY

BE A PART OF THE SOLUTION

For more information about the race against time, visit the website at

Mopane Bush Lodge

under **NEW** management

Mopane Bush Lodge is excited to have Michelle and Renhard Oosthuizen join the team! Between them, they have over 16 years experience in the running of Star Lodges.

Welcome Michelle & Renhard to the Mopane family!

Fun times at the lodge. We have embarked on a major upgrade, fixing of thatch roofs, painting of the entire lodge, maintenance and setting up all the rooms with internet access.

The designs of the 4 new units have been approved, contractors appointed and building is scheduled for 6th July 2015. We are aiming to pass the 5 star rating with all these new provisions and amenities.

Also, proud to note that Mopane has been awarded the certificate of excellence by Trip Advisor for 2015. **Well done team Mopane!**

Mapesu Game Reserve

For the last 7 months, Cristoff, Harry, Jethro and their team have been working hard to complete the main fence. We are glad to announce that it is now done and looks great. **Thanks team for all the effort!**

The next step is to make the electric fence both elephant and rhino proof.

Our new dam was a mammoth job with all hands on deck to get this job done and we are now nearing completion.

New water cribs have been built to supply all the game with fresh water.

Remember in last months newsletter about the injured Eland? Well, we are excited to share that our orphan Eland Bull "ZAMA" is doing very well and is strong and healthy. He is a little hand full when it comes to feeding time but it is well worth it to see him grow. He is slowly starting to venture out of his camp now and looking to explore.

The aim with Zama is to fully rehabilitate him back so that he can roam the rest of the farm fending for himself.

Our wish List

- To complete the project we need to raise a total of approx \$8 Mil.
- We need our existing shareholders to take an active interest and assist with getting their friends on board.
- Developing the Rhino Orphanage would make a fantastic CSR project for an organisation that wants to make a real contribution towards the conservation of Rhinos. Let us know if you can help.
- Two new game drive vehicles.

Have a clear vision – *"The leadership lesson drawn from the eagle is that of vision. This vision is so sharp to the extent that it can capture objects 5 kilometers from the air. When an eagle sights a prey, it narrows its focus in pursuit until the prey is caught. Have a vision and remain focused no matter what obstacle is faced. Identifying and communicating a clear vision is one of the main functions a business leader can perform. "Leadership is the capacity to translate vision into reality." - Warren Bennis*
